SUMMER VACATION HOLIDAY HOMEWORK

SESSION : 2023 - 24

CLASS : 1

Dear Parents,

We wish you and your child a very happy summer holiday. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of "learning by doing" for his/her holistic development.

Kindly ensure that the holiday homework is completed by the students under the guidance of the parents.

Physical Development

* Take your child with you for morning/evening walk.

* Play different games like hide and seek, football, Ludo, chess etc. with your child. This will encourage them to express freely and will make them more responsible.

Language Development

* Encourage your child to converse in English.

* Choose any one object from your surroundings every day, let your child speak a few lines on it to develop their speaking skills.

We are positive that the combined endeavours shall bring about the desired all-around development of the child.
